EDUCATION

Florida International University (FIU)

May 2026

Bachelor of Arts in Computer Science, 4.0 GPA

Relevant Coursework: Java Programming, Introductory Python, Professional and Technical Writing

Florida SouthWestern State College (FSW)

October 2022

Front-End Software Development Bootcamp

Relevant coursework: HTML, CSS, JavaScript, npm, Node.js, Bootstrap, JQuery, Git, React, JSX, React-Bootstrap, Axios, HTTP Request Methods

Florida SouthWestern State College (FSW)

December 2011

Bachelor of Science in Secondary Math Education

PROJECTS

[Math Space](#)

Technology: React.js, Tailwind, CSS, JSX, Vite

[Recipe Finder](#)

Technology: JavaScript, CSS, HTML, Figma, Jira

[Weather Dashboard](#)

Technology: React.js, Bootstrap, CSS, JSX, CRA, Google Geo Location API, Google Map Directions API, Open Weather API

WORK EXPERIENCE

Florida SouthWestern State College – Remote

May 2023 – Present

Instructional Designer I

- Utilized HTML, CSS, and Bootstrap to design responsive and accessible course web pages to enhance user experience.
- Leveraged AI to simplify workflow and repeated tasks by developing 7 distinct GPTs accessible by all members of the Instructional Design team, resulting in a 5% weekly time savings.
- Managed Agile projects with TeamDynamix, demonstrating proficiency in project coordination, clear communication, and effective issue resolution, resulting in a 15% increase in team productivity.
- Resolved helpdesk tickets weekly, troubleshooting issues, assisting professors with LMS tasks, redesigning online pages, creating graphics, and organizing content, ensuring efficient resolution and improved user experience.

Promineo Tech – Remote Contract

Jan 2023 – May 2023

Learning Content Developer

- Designed and implemented interactive and engaging course content on Moodle LMS, including 15+ Java and JavaScript lessons focusing on data structures and algorithms, resulting in more opportunities for students to practice weekly skills in both Frontend and Backend courses.
- Utilized Git and GitHub for version control of curriculum content, demonstrating proficiency in essential software development tools and collaborative platforms like Slack for technical support and teamwork.
- Led project management using Asana within Agile frameworks, achieving over 90% completion efficiency every two-week sprint, reflecting strong organizational skills and the ability to work effectively in fast-paced development environments.

School District of Lee County — Fort Myers, FL

Jan 2012 – Jan 2023

Math Teacher

- Transformed data entry processes by automating a weekly data meeting tool using Google Scripts (JavaScript) in Google sheets, resulting in an average weekly time savings of 2 hours for 10 team members.
- Led a team of 14+ teachers, fostering collaboration through communication and monthly department meetings, resulting in the team meeting the yearly student proficiency goal, in line with district results.
- Planned, designed, and continuously updated curriculum and assessments, integrating best practices for student growth, and improving curriculum iteratively, resulting in approximately 85% of students passing the end-of-course exam every year.
